## The BIG Auction April 20

My fellow Flylines editor advised me not use the delicious phrases “rolling green hills,” “knobby granite peaks” and others you read in the April newsletter. Well, Mark, you can stick that request in your crumbly limestone valley.

Because, you see, the Black Hills Flyfishers is dedicated to protecting those and all the other things that make the Black Hills so special.

It's not cheap to do that. We need money, and our only avenue to do that is Auction Road. We go there once a year to give you an opportunity to find great deals on all kinds of fishing equipment and other items. That's the fun part. There's a serious side too. Without the auction, you wouldn't have some of the excellent fishing opportunities that exist in your backyard, and fish and other wildlife wouldn't have the improved habitat they enjoy.

The auction is scheduled for Saturday, April 20, at the Alex Johnson Hotel in downtown Rapid City. Join us. It's a great time, and you'll be doing your part to protect the quality of life that exists in the Black Hills.
